about yth live

YTH Live is the premier conference for trailblazing **technology that advances youth health and wellness**. Each year the brightest minds in youth advocacy, health, and technology gather at YTH Live to showcase what works, share ideas and learnings, and launch new collaborations.

Join us April 24-26, 2016 at Hotel Kabuki in San Francisco. Connect with vibrant thinkers, makers, and doers in the YTH Live community, and take what you learn to improve the lives of the youth you serve and support.
